Statement of Information

Single residential property located outside the Melbourne metropolitan area

Section 47AF of the Estate Agents Act 1980

Instructions: The instructions in this box do not form part of this Statement of Information and are not required to be included in the completed Statement of Information for the property being offered for sale.

The Director of Consumer Affairs Victoria has approved this form of the Statement of Information for section 47AF of the *Estate Agents Act 1980*.

The estate agent or agent's representative engaged to sell the property is required to prepare this Statement of Information. It must be used when a single residential property located outside the Melbourne metropolitan area is being offered for sale. The Determination setting out the local government areas that comprise the Melbourne metropolitan area is published on the Consumer Affairs Victoria website at consumer.vic.gov.au/underquoting.

The indicative selling price in this Statement of Information may be expressed as a single price, or as a price range with the difference between the upper and lower amounts not more than 10% of the lower amount.

This Statement of Information must be provided to a prospective buyer within two business days of a request and displayed at any open for inspection for the property for sale.

It is recommended that the address of the property being offered for sale be checked at services.land.vic.gov.au/landchannel/content/address Search before being entered in this Statement of Information.

Important advice about the median sale price: The median sale price is provided to comply with section 47AF (2)(b) of the *Estate Agents Act 1980*. The median selling price for a residential property sold in the same suburb or locality in which the property offered for sale is located has been calculated on the sale prices of [insert number of sales] residential properties sold during the period specified by the section. Because of the small number of sales, the median selling price is unlikely to be meaningful statistically and should be considered accordingly.

Comparable property sales (*Delete A or B below as applicable)

B* The estate agent or agent's representative reasonably believes that fewer than three comparable properties were sold within five kilometres of the property for sale in the last 18 months.
