- **Category Winner \$35-\$40, ★★★★★, 98 points** - World's Greatest Shiraz Challenge XVI, Winestate magazine, Sep/Oct 2021 edition - "Amazing colour - bordering on black! A big style - well made with lovely rich dark varietal fruit characters, some decent oak and an abundance of attractive grainy tannins."
- ★★★★★1/2, 96 points - Winestate magazine, July August 2021 edition – "A classy dark purple wine rich with powerful sweet and inky fruit characters. Has drying tannins and acid giving the wine great vibrancy."
- **94 points** - winefront.com.au, 1 December 2020 (Campbell Mattinson) - "Organically grown, vegan friendly. Fantastically fresh and vibrant. Grenache-like in its joyous presentation of red berried fruit flavour. Sweet spice notes, tips of plum, perhaps some earth, florals and fennel. Lacey tannin. It's not overly complex or indeed deep but it's brilliant to drink."
- **94 points** - wineorbit.co.nz, Sam Kim, February 2021 - "Offering terrific fruit purity and perfume, it's instantly appealing on the nose with black/blueberry, floral, hazelnut and toasted spice aromas with a light dusting of cocoa. The palate delivers succulent fruit intensity together with plump mouthfeel, finishing impressively long and satisfying. At its best: now to 2030"
- **92 points** – Winepilot.com Jeni Port 11 Feb 2021 - "You would buy this wine on the label alone. The humble bee – "the superstar of the ecosystem" – is honoured with his/her own moment, and nicely captured in a striking, modern design. Love the vitality here, the super expressive Fleurieu Peninsula shiraz so deep in purple hue and bursting in black fruits, licorice, stewed plums; it makes an immediate impression. That youthful energy is channelled on the palate in concentrated blue and black berries, cacao and spice with earthy tannins. This wine has been made with an early release in mind and while it makes for excellent drinking now, it won't mind a few more years in bottle either."
- **91 points** - Wine Showcase magazine, October 2020 tasting panel "
- @dandawineman (Dan Traucki), Australia - "Gorgeous purple/crimson colour, superb aromas of plums & black berries with just a tinge of spice, the palate starts with a hint of fruit sweetness on the front, leading to rich flavours & a gentle drying finish. SUPERB!!"

- **91 points** – **Halliday Wine Companion**, Tony Love, August 2021 – "Tempranillo fruit from the Finniss district. Light crimson in the glass. Cherry characters are front and centre, there's a suggestion of watermelon too. Varietal tannins add some weight on the palate – more of a red wine in the rosé genre, and proudly so."
- **4.5 stars** out of 5, Winestate magazine December 2020 – "Dark red colour with a confectionary berry/spicy bouquet and lovely purity of blackcurrant-like flavours with good oak selection. Needs time."

- **94 points** – wineorbit.co.nz, Sam Kim, February 2021 – "Offering terrific fruit purity and power, showing Black Doris plum, mulberry, violet, dried herb and mixed spice aromas

on the nose. The palate is dense and rich, backed by firm tannins, finishing long and structured. A sturdy expression of the variety, making it an excellent food partner. At its best: now to 2030."

- **93 points – Halliday Wine Companion**, Tony Love, August 2021 - "Madrugador is Spanish for 'early riser', named for this early-ripening variety. Certified organic and vegan. Whole berries at the heart of the ferment here, with minimal oak influence. Intense colour, then baking spices add a warmth to the deeply concentrated black berry and plum-laced palate, the variety's trademark tannins out and proud to finish. There's something quite wholesome about this wine, even with that full-bodied exit."
- **92 points – winefront.com.au**, 1 December 2020 (Campbell Mattinson) - "Fresh-faced Tempranillo with red and black cherry flavours popping throughout. Sweet/twiggly spice notes add breadth if not depth and everything feels well-polished and indeed balanced. There's a healthy lick of tannin here too. Everything is in fine order."
- **92 points – Wine Showcase magazine**, October 2020 tasting panel
- **@dandawineman** (Dan Traucki), Australia - "'Deep inky purple colour, zippy, spicy bouquet with savoury notes & a dash of dried herbs, delightful rich palate oozing with scrumptious flavours & a lingering, tight, grippy finish. A FAB FOOD WINE!!'"
- **90 points – therealreview.com** 30/12/2020 Stuart Knox "Intense opaque core with purple rim. Vanillin, cedar and blackberry aromas. The palate has deep black fruit, aniseed and cinnamon spice. Quite intense and rich fruit, but ample tannins to balance that weight. It has good length and finishes with those distinct tannins."

Silky and fleshy with plenty of tasty flavours. Certified organic. At its best: now to 2029."
- **92 points – The Real Review**, Aaron Brasher, 19 July 2022 – Top Rank – "This wine once again highlights the Fleurieu's propensity for growing top notch Tempranillo. This wine has all the darkness and power of a new wave Ribera del Duero, with the polish, cut and precision that we come to expect from a producer such as Zonte's Footstep. Deep, dark and inky in the glass. Lifted and evocative aromas of mulberry, dark cherry, cola, spice and sarsaparilla. Brooding and powerful on the palate, lashings of dark fruits, licorice, sour cherry and cedar. Bright, crunchy acidity and grippy, granular tannins round the wine out very nicely. Needs some time tucked away."
