# INTRODUCTION

Hilltop View is a substantial, well-developed rural holding spanning 700 acres of highly productive farmland. Currently operating as a dairy, the property's scale, layout, and premium infrastructure make it ideally suited for a wide range of agricultural, commercial, and lifestyle ventures.

The centrepiece is a large, purpose-built compost barn designed for high-density livestock housing, with potential for robotic dairy integration, feedlot conversion, intensive horticulture, equine facilities, or agritourism development. Combined with extensive pasture systems, reliable water resources, and quality-built infrastructure, Hilltop View presents a rare opportunity for buyers seeking flexibility, scale, and long-term value.

# 'HILLTOP VIEW' - Highlights

## *Versatile Agricultural Holding with Premium Infrastructure & Development Potential*

### **Versatile Infrastructure**

Purpose-built compost barn (190m x 73m). Originally designed for robotic dairy, the facility is equally suited to feedlot, equine, horticulture, hydroponics, agritourism, or commercial use — offering exceptional adaptability for a wide range of enterprises.

### **Scale & Land Quality**

700 acres of productive farming country with well-maintained lucerne and ryegrass pastures across slightly rising to undulating to gently rolling hills — ideal for grazing, cropping, regenerative agriculture, or diversified land use.

### **Water Security**

Water Licence 118477 includes:

27,000 kL surface water allocation via three dams (11.7 ML, 10.7 ML, 4.6 ML)

29,640 kL prescribed well allocation via bore-fed gravity system with pressurised delivery to dairy and paddocks.

### **Livestock & Genetics**

420 Holstein Friesian cows with over 50 years of AI breeding. Genomic testing on young stock and strong production metrics (9,300L/cow/year) — a valuable asset for dairy or livestock-focused buyers.

### **Premium Dairy Infrastructure**

Steel-built rotary dairy with 50-cow capacity, 100kW solar system, 16,200L vat, and efficient 1-person operation — easily repurposed for other intensive livestock or commercial uses.

### **Residential Lifestyle Appeal**

Architect-designed 4-bedroom, 2-bathroom home with pool, solar, and quality finishes — ideal for owner-operators, lifestyle buyers, or agritourism ventures.

### **Plant & Equipment Included**

Full suite of machinery including tractors, mixers, auger, and UTV — ready for immediate use or repurposing for alternate operations.

### **Development & Diversification Potential**

Infrastructure supports a wide range of uses: equine, cropping, tourism, intensive livestock, commercial storage, or events — making Hilltop View a compelling option for visionary investors.

### **Flexible Investment Options**

Purchase land only, land + herd, land + plant & equipment, or the full operational package — tailored to suit your business model or investment strategy.
