Comparable property sales

These are the three most comparable properties to the property for sale that were sold **within five kilometres** of the property for sale in the **last 18 months**.

If there were fewer than three, but one or two, comparable properties, these must be included below.

These properties were used to help determine the estimated selling price.

Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

The property is considered unique within the local market and there are limited recent comparable sales. The estimated selling price has been formed having regard to sales of similar properties across the wider region, current market conditions, property attributes and professional market experience.
